Subject-Request for Extension on Assignment Submission

Dear Professor ,

I hope you are doing well.

I am writing to kindly request an extension for the submission of the assignment, which is currently due on 31 march 2026. Due to health issue, I have been unable to complete the assignment on time.

I would be grateful if you could grant me an extension until 3 april 2026. I assure you that I will submit quality work within the extended deadline.

Thank you for your understanding and consideration.

Sincerely,

Shobhit Tiwari
